From the Desk of Secretary

We are happy to present you the annual report of Jan Lok Lalyan Parisad for the year 2013 – 2014. During this year we received support and cooperation from various Government Departments, Non Government Sectors, NEEDS (Sri M.M.chodhary), SRI (Dr. A. K Basu), PRIA, and Sri Sudipto Banerjee) and local people, Women Group Members, Youth Clubs Adolescent of our area as well as the government organization, like DRDA Pakur, PHED Department of Sahibganj, PHED Pakur, CSWB Delhi, JSWB Ranchi, MESO Pakur, Government of INDIA and International Funding Agency etc. It is for without their support the activities of this financial year would never have been completed.

Lastly I am indebted to all those people who have helped Jan Lok Kalyan Parisad through direct and indirect support.

Vinod ku. Pramanik
Secretary
Jan Lok Kalyan Parisad

Introduction of JLKP

In 1989, two young persons from lalmati village Taljhari Block , Sahibganj District, Binod Kr. Parmanik and Shiv Charan Uraw formed a club by the name of Nehru Yuva Club. The main motive of this club was to guide the youths, specially tribals living below poverty line about their rights and obligations. Page

The club got registered in 1990. The villagers of Lalmati cooperated with the club helping it to expand activities venturing in health and education. The villagers extended support in these activities and this encouraged the club to operate sewing centre. Some keen women joined the sewing centre leading to socio economic development of the villagers. This encouraged club members to discuss on the registration of the club. In 1992, Sri Subhash Sharma, then district collector of Pakur was impressed by the performance of the club encouraged club members for registration. The Club was registered Under Society Registration Act 1860 in the name of **Jan Lok Kalyan Parisad**.

The members of the society decided to open an electronic center at Pakur municipal area. The electronic center was inaugurated by present SDO of Pakur Sri Premchand Choudhry. After a year BDO of Pakur visited the centre, satisfied by the work gave the work of Training on electronic under TRYSEM. Gradually, society acquired efficiency in various trades like Motorcycle, Watch repairing, Making surf and soap, Leaf plate, Typing etc.

In 1997, District administration provided JLKP the opportunity to participate in the training on launching total literacy campaign in Pakur district. The president of the organization, Mr . Bhaskar Sarkar was appointed by district administration to head the total literacy campaign in the district. Contemporarily, he is continuing as secretary, heading the T LC in Pakur district.

Secretary of SRI Ranchi Dr. A.K. Basu selected the society as a good society in 2001. From that period, Jan Lok Kalyan Parisad is active in changing the lives of people securing livelihood of rural and tribal Poor.

Our Vision ⇒

Economically Stabilized, Educated Healthy and Just Society.

Programmes Women and child protection

Page

(PROJECT TITLE - CHILDLINE)

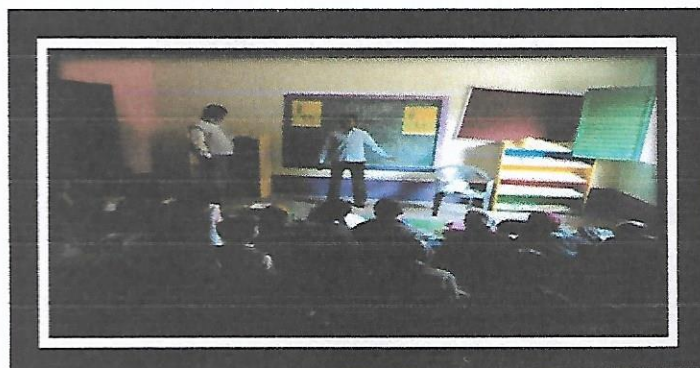

CHILDLINE is a 24-hour free toll free-help-line and outreach service for children in need of care and protection that links children to a long-term services. It is a project of the Ministry of Women and Child Development, Government of India. This service has been started in all the six blocks of Pakur district. Our organization served as a collaborative organization for this Child help line Service in Pakur district. We are in the forth year of serving the CHILDLINE service in Pakur District. Throughout the year we have taken a total of **3156** numbers of child cases of different category like missing children, child in need of medical treatment, child trafficking, child abuses etc.

Achievement –

Total Number of cases- 3156,

Total Number of open House – 12

Total Number of outreche- 557

Funding Partner: - Childline India Foundation, Mumbai, Through MWCD.

Operational areas:- All the 6 (Six) Block of Pakur district in Jharkhand state through different supportive NGO Partners.

Considering the major challenges issues in implementation of CHILDLINE in Pakur district, and hard to reach geographical locations, the CHILDLINE rural model structure is functioning in our area. i.e. CHILDLINE Nodal and Collaborative centre are in Pakur city, two Sub Centres are in

Litipara Block, two Sub Centres are in Mahespur Block, one Sub Centre is in Amrapara Block, and Pakuriya Block cover by JLKP .

2 - Self - help Group Formation:

this is a continuation programme through JLKP members and other volunteer contribution.

We have formed 100 new SHGs in different Block of Pakur District support with NABARD. Among them, we have linked 65 groups with Bank. They have already started the Self-lending process to increase their own fund as well as government lone under SGSY, and working for social welfare and self-income generation programme for sustainable livelihood in their villages. Mainly SHG members are the tribals from Santhal and pahariya community of Litipara Block Pakur district. They are already forming last year, a block level SHG federation for self help and other awareness activity.

7. Gender sensitisation

this is a continuation programme of JLKP

10 old group leaders of 30 SHGs and 15 new SHG and adolescent group were oriented on gender based issues like discrimination by birth, social responsibility and expectation from boy and girl separately. It was expected that women will learn about gender discrimination and try to abolish this beginning from their own home and neighbourhood .these participants went back in their groups and trained them. Subsequently, it was visible that the girl children out of school were sent to school.

A Photographs of rally against gender discrimination

8. Health programme for Child and women

this is a continuation programme at littipara block

this is a continuation programme

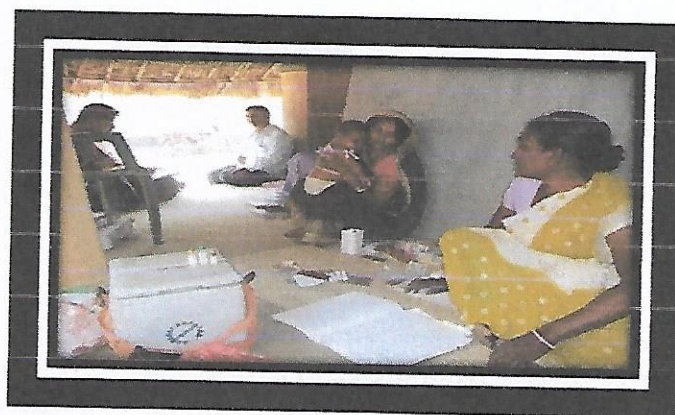

Funding Agency – SIMAVI (NITHERLAND)

(a) Mother and New Borne care (MNH)C

One day Training to adolescent group sexual health. We formed 52 adolescent boy and girl club consisting of 717 members. JLKP provided training to 10 boy and 10 girls group leaders in this year, on Mother and New born care and Sexual health issue, This group trained the others members of the group and other adolescent of the village in turn. This is a follow up programme, for reduce of mother and new natal death at litipara block of Pakur district.

Modern AWC of Littipara Block of Pakur District

Modal VHND for MNH Programme

Project – (TSC) Total sanitation campaign –

Funding partner – PHED, Pakur, PHED Sahebganj Operational areas – In 2 Panchayats of Sahebganj district, and in 2 Panchayat of Pakur district namely Fulljinjari and Pochathol .

Goals and objectives –

Improving sanitation is the key to achieving our health related millennium development goals of reducing child mortality and combating disease. The practice of open defecation by the majority of poor rural household is one of the most serious environmental threats to public health. Open defecation and failure to confine excreta safely are prime factors that contribute to the spread of disease and infection through the bacteriological contamination of water sources and the transmission of pathogens through the fecal oral route. Due to ignorance and unhygienic behavior of tribals these subsidized toilets remains unused or are being used for purposes other than sanitation. Most of people continue to defecate in the open not due to lack of access to toilets but primarily because they see no reason to change their behavior because awareness of associated health risk is limited or ignored. Public health outcomes can be achieved only when the entire community adopts sanitation behaviour for 100% open defecation free zone. Jan lok kalyan parishad implemented TSC, a people centered participatory and demand driven approach, which is being implemented in a campaign mode. This new paradigm is a shift from allocation based and supply driven program to a demand driven programme; from a top down to participatory approach, and it tries to generate a campaign to highlight issues related to sanitation by involving all stakeholders. This impose that strong emphasis is placed on information, education and communication and social marketing, which will increase people's awareness in terms of enhancing capacity .

Achievements in this year

Jan Lok Kalyan Parishad, Sindhi Paara, Near Stone Quarry Association Office, Pakur, Jharkhand
Mobile: - 09431158447, E Mail: - janlok_pkr@yahoo.com, Website: - <http://www.jlkp.org>

This year Jan lok kalyan parishad has constructed about 180 low-cost latrine structures for the beneficiaries of operation villages. i.e 100 in Sahebganj district and nearly 80 numbers of such latrines in Salgaadih and Pochathol, Full panchayat of Pakur block. Behavioral change is being noticed among the villagers. Beneficiaries are using these toilets in a regular basis and they are also motivating the others for the same. Through this program, we also selected Village level health

volunteers who will be the key health worker for the village and will take care of the health needs of the villagers, starting from counseling women on reproductive issues, awareness of safe water for health, The volunteer also generate mass awareness about preventive health issues. For this purpose, the Organization is taking care of their capacity building in various preventive health aspects.
